

Colloidal

Silver & Gold Mineral Water. Active against most Viruses Bacteria & parasites. Wholesale quantities, samples, research literature, lab reports available. Our particle size ranges from 1-8 nanometres at 30 ppm (parts per million). At www.biophysica.com/colloidal.html

Colloidal Generators

For making your own Nano-Colloidal mineral waters of Silver, Gold, Copper, Zinc, Magnesium, Tin, Titanium, Platinum. The most advanced technology (nanoparticle size 1-8 nm) with 1 to 5 simultaneous channels. Has automatic stirrer, constant current, alternating polarity (self-cleaning), multi-frequency broad spectrum pulsation, large electrodes, miasmic shielding. Colloidal Silver Water can inactivate Cold, Flu, Norwalk, Herpes, HIV, hepatitis viruses and coliform, legionella, MRSA, c. difficile, streptococci, staphylococci and many other bacteria, viruses. Details, prices at www.biophysica.com/colloidal_generator.html

Chlorine-Free Swimming

Water Ionization using Copper and Silver electrodes instead of Chlorine which causes cancer and asthma. No chemicals. Volumes up to 2.4 million gallons per day. Also for **hospital water supplies** and **cooling towers**. At www.biophysica.com/ionization.htm

Hunza Powder

World's most powerful Antioxidant. Neutralizes damaging Free Radicals which cause aging, cancer, arthritis, retinopathies, etc by damaging cells and DNA. Anti-Aging, Anti-Cancer, Anti-Fatigue, Alkalinizing. Provides extra energy as free electrons (the ultimate food of life and basis of all chemistry) which boost Concentration, Attention, Memory etc. Scientific literature available. www.biophysica.com/hunza.html

Cetyl Myristoleate (CMO):

World's most effective natural safe anti-arthritis. Look at CetylMyristoleate.html

Prostate Shrinker module for home, office and automobile use while driving. Non-invasive, uses vibration to enhance lymphatic drainage & far infrared through clothing prostate_reduce.htm

Neodyme

Magnetic Field Pulsator for bones, joints, inflammations, lymph drainage.

Laser & Light Therapy

IR, Red, Green, Blue, Indigo, Violet Modulated with a wide range of frequencies & Subtle Energies. Blue-light Acne treatment page.

Water Softening & Descaling

removes lime-scale using Pulsed Ultrasonic Electro-Magnetic Fields from coil wrapped around pipe. No cutting needed. At scaleblaster.html

EMF detection meter and protection at emf_pollution.htm

Variable Frequency

Waveform and Pulse Generators with digital display 0.01 Hz to 15 Mega Hertz. Will drive our lasers & zappers.

Amulet for protection

Contains Chartres Labyrinth, Swarovsky crystal, magnetic field, resonant coil. www.raydionics.com/sacred.html

Zappers & TENS Stimulators

www.biophysica.com/synchrometer.html

Electro-Trichogenesis

Hair Growth technology stimulates dormant hair follicles using electromagnetic pulses combined with intense pulsed light at

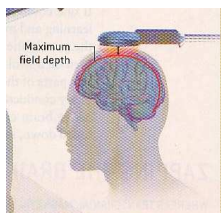

www.biophysica.com/trichogenesis.sht

Interferential

Electrical Neuro-Muscular Stimulators. Deeper, gentler sine waves.

Transcranial Magnetic Stimulation (TMS)

Non-invasive treatment of Depression, Migraine. May enhance cognition, learning, memory, Pituitary & Pineal function (3rd Eye).

www.biophysica.com/tms.htm

Radionics & Energy

Broadcasters and Homeopathic Remedy Makers for practitioners.

Cosmetic & Facial

Acne control, skin rejuvenation, wrinkle removal using microcurrent, ultrasound, iontophoresis, lymphovibration and pulsed light all in one treatment head at

www.biophysica.com/cosmetic.htm And www.biophysica.com/acne.htm
